The Teach Our Children Fund works with learning-challenged school-age students with a variety of diagnosed and undiagnosed learning difficulties. Many students have more than one difficulty that impedes the learning process. We use educational programs that are research-based, brain-based and proven to work. We address the specific learning challenge(s) facing that individual student. We do so in a positive, one-on-one environment... In fiscal year 2022/23, we provided 2,410.00 hours of instruction to 28 students. We believe that every child is different. We believe that every child wants to learn. We believe that given the right set of tools, every child can learn.

The Teach Our Children Fund works with learning-challenged school-age students with a variety of diagnosed and undiagnosed learning difficulties. Many students have more than one difficulty that impedes the learning process. We use educational programs that are research-based, brain-based and proven to work. We address the specific learning challenge(s) facing that individual student. We do so in a positive, one-on-one environment... In fiscal year 2022/23, we provided 2,410.00 hours of instruction to 28 students. We believe that every child is different. We believe that every child wants to learn. We believe that given the right set of tools, every child can learn.
