

*Every child is different. Their right to learn is the same.*

**Organization:**

The Fort Wayne Center for Learning (FWCL) is a 501(c)(3) organization (Tax ID #71-0951614) dedicated to providing specialized instruction to children in northeast Indiana with learning challenges.

**Our mission** is to help children develop a positive self-image through the improvement of the critical learning skills necessary to be successful learners.

**Our vision** is to be an essential part of a community that values and encourages all children and their unique abilities to learn.

Since 2003, FWCL has provided effective and high intensity one-to-one instruction in the following areas:

- reading
- spelling
- writing
- math
- comprehension
- academic independence management

One in five children has some kind of learning difficulty. Programs implemented at FWCL are research-based, brain-based and have proven results.

Fees for instruction are based on a family's ability to pay. Support from the community allows us to offer need-based scholarships to families.

**Event:**

The **FWCL Festival of Sports** will be held on Thursday, October 12<sup>th</sup>, from 5:30 to 8:30PM in the gymnasium at the Public Safety Academy at 7602 Patriot Crossing. This fundraising event will raise money to support the scholarship programs at the Fort Wayne Center for Learning.

At this fun event you can vie for a Gold Medal in any of several **good-natured competitions**, enjoy a **beer-tasting** experience courtesy of JK O'Donnell's, sample **delicious foods** from your favorite restaurants and bid on a vacation getaway and other wonderful items and experiences in our **Silent Auction**.

**Request:**

We are seeking sponsorships of the event (see next page for sponsor levels), in-kind donations of food and donations of silent auction items.

**Won't you please support our efforts? Do you need more information?**
